## COMMISSIONERS' REPORT.

*To the Citizens of Merrimack County :*

As required by law, we submit to you the annual reports of commissioners, treasurer, superintendent of county farm and house of correction, clerk of the supreme court, sheriff, jailor, solicitor, farm physician, and auditors for 1898.

During the year we have paid \$6,000 on the bonded debt, also \$4,609.64 on floating indebtedness, thereby reducing total debt \$10,609.64. The cost of supporting inmates and prisoners at the farm has been \$2.16+ per week. All of the buildings require painting.

Nearly every room in the main house must be patched or replastered. Additional room must be provided for the insane, also extensive repairs are very much needed in the old part of asylum. A separate building should be provided for prisoners; both inmates and prisoners occupy the same rooms for eating and sleeping. A change is very desirable, also, on account of security of those confined.

We wish to thank Mr. and Mrs. Hilton and their associates for the efficient manner in which they have performed their duties.

J. B. TENNANT,  
GEORGE A. FOSTER,  
A. J. THURSTON.
